Taking the Advanced Placement exams is an important part of all AP courses. Ramapo High School desires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition.

For the 2017 AP exams, students at Ramapo High School will be registering online. This registration will take a few minutes and can be completed from any computer with internet access. This year each AP exam costs \$93.00. Ramapo High School desires that every student be able to take their AP exams. Students requiring financial assistance AND are either enrolled or eligible to participate in the Federal Free or Reduced Price Lunch Program will qualify for the College Board Fee Reduction and should contact Jennifer Perry (jperry@rih.org) for additional registration information.

Online Exam “regular” registration will begin today, Fri., Dec. 16, 2016 and end on Fri., March 10, 2017 at 11:59 PM. Online “late” registration will be March 11, 2017 – March 17, 2017 which will incur a \$10 late fee. In order to register, students should click on the link provided on the school website or visit www.TotalRegistration.net/AP/310402 to register. To complete registration, students must answer all of the required questions. **Registration is not complete until students have printed the .pdf of the confirmation page that is provided at the end.** We know that parents may desire to register their students for exams. We strongly recommend that parents and students are both present while registering to ensure that the correct exams are ordered.

Ramapo High School is excited to offer families the convenience of two payment options. You may choose to pay online or through the mail. Please be sure to have a credit card or debit card available before beginning registration if you chose to pay online. Paying online is a great way to make sure that payment has been made while avoiding the inconvenience and time of mailing your payment.

Here are the important dates for the registration process:
